HISTORICAL AND GENEALOGICAL RESEARCH

I have either in my files or at close hand many thousands of names of early American pioneers, together with facts from marriage, birth, death or probate records that will often complete your search for your particular ancestor.

X Send me on the back of this all that you know of any particular individual, enclose five two-cent stamps and a self addressed envelope and I will add something to your knowledge of him or return your stamps.

Or send me ten two-cent stamps for a list of individuals of the same family name in any of the states east of the Mississippi, born before 1830 and I will give you what I have. If less than five, I will return the stamps, if more than ten, I will tell you how many more I have or where you can find many more.
